

## TRASH RECYCLING GUIDELINES FROM IESI / WATER DISTRICT 17

Reader's requests for a clear layout of the rules for recycling of household trash are addressed in this and next month's newsletter. The rules have not changed, but a summary might help.

Through Water District 17, IESI provides recycling service every Friday as part of the regular pickup of household trash. The guidelines for the IESI recycling service are given below. It is not necessary to sort materials for

IESI recycling. Use the recycling cart provided. Waste not accepted for recycling will go to a landfill with the regular trash. For more information: [www.wcid17.org/SolidWaste.htm](http://www.wcid17.org/SolidWaste.htm)

Residents on Mountain Trail and Panorama Drive do not recycle through IESI. Those neighbors (and some others) receive recycling service from Texas Disposal Systems (TDS) on alternate Thursdays. The recycling rules from TDS are not the same as those from IESI.

The March *CTCA Newsletter* will have the guidelines for recycling with TDS.

IESI RECYCLING GUIDELINES	
RECYCLABLE	NOT ACCEPTED
<b>PAPER</b>	
Magazines, mail, office paper, paper bags, catalogs, newspapers, and other printed matter	No pizza boxes or any container with food residue. No paper plates, cups, juice or milk cartons, towels, facial or toilet paper
<b>CORRUGATED CARDBOARD</b>	
Moving and shipping boxes, flattened or cut down to 2 feet by 2 feet	No pizza boxes or any cardboard with food residue
<b>PLASTICS</b>	
Containers labeled for recycling, numbers 1 through 7, including bottles for soda, milk, and detergent. Containers for take-out food and produce, disposable dinnerware. Drain and remove caps and rings, flatten if possible	No plastic bags, packaging, styrofoam, toys, or bottles for motor oil, cooking oil, or antifreeze.
<b>METAL</b>	
Aluminum soda or beer cans, tin and steel cans, empty aerosol cans, and metal lids from glass jars. Drain and rinse out residue.	No aluminum foil, coat hangers, paint or solvent containers, or scrap metal
<b>GLASS</b>	
Glass bottles and jars. Remove tops and rinse out. Labels are ok.	No broken glass, light bulbs, mirror, window panes, dishes or cups, ceramics or ornaments
